Happy New Year!

We are very excited for this new year and for the opportunities God will bring for this ministry!

You are such a part of this ministry and we wouldn't be able to do this without your prayers and financial support.

Thank you!

A New Year - A New Clean Water Well

A new well in the Buyende district of Uganda will bring clean water to many villages.

A local pastor informed us that 4 people die every day from unclean water - mostly children as typhoid wrecks havoc in the villagers lives.

When this new well is finished, there will be a celebration by the people. During this celebration, the local pastors will hold an outreach conference and share about the Living Water of Jesus!

We expect many will trust their lives to Jesus!

We thank you for your prayers and financial support as we continue to provide clean drinking water to villages and sharing the Good News of Jesus!

A Changed Life.....

Ramesh, is a Hindu in the Assam state of India was born not able to straighten his knees to walk. He has had to walk on his knees his entire life.

Recently, his wife left him and his two children for another man. This devastated Ramesh!

Pastor Johny Tanti shared the Good News of Jesus and Ramesh accepted Jesus as his Savior! He was baptized along with 17 others.

For Christmas, our ministry was able

to acquire a wheelchair so Ramesh can go to the market square and sell tea leaves to support his children. Meanwhile while this was going on, his wife returned to the family!! Praise God!

Now with his family intact and having the wheelchair - Ramesh is praising the Lord for these blessings and sharing the Good News with his village!

I love this story as it brings hope, overcoming adversity and reconciliation. God's story of love!

Financial Update

Thank you for all of your support as we had a wonderful end of the year giving! This helps to ensure the ministry is healthy and thriving for those we serve!

We're just \$3,000 a month from being fully funded! Will you share with others about this ministry?

Pray with Us

We would appreciate your continued prayers:

- Great Commission Alliance conferences this year: India, Brazil, Colombia, and in the USA
- Wisdom in counseling couples and men
- Helping to meet needs in villages
