You are such a part of this ministry and we wouldn't be able to do this without your prayers and financial support. Thank you!

India, Nepal & Dubai Trip

Wow, this trip was so inspirational but physically demanding as we spent three weeks teaching, traveling, meeting new partners in ministry and a little sightseeing along the way.

There is so much to share about the people and photos to see that I will be breaking the trip into parts in multiple emails to you.

We hit the ground running by conducting a 2-day conference outside of the city of Chennai.

We were greeted by the village in a very dramatic way!

We trained over 1645 people in three countries, prayed with many people for healing, blessing their children and saw Hindus come to Jesus!

We met in Hindu villages, in city churches, in hotel lobbies and even an underground church in the Middle East!

This trip showed me that there is a hunger to find HOPE in this dark and crazy world we live in.

Everywhere we went, we were met with honor, love, smiling faces and hopeful hearts!

In two villages in Assam, we were the first "white" people to visit them!

We had our hands washed and our feet as well in those villages! So humbling and meaningful.

Men, women and children would sit on concrete floors for hours at a time, even four hours straight while we sang praises, taught our material and

prayed over so many people who needed prayer.

It brought tears to my eyes seeing these people who were former Hindus worshipping God, Jesus and the Holy Spirit with such joy, enthusiasm, and reverence.

They were so excited to hear about our evangelism tool so they could share with their families and villages - they want their country to be healed and saved. What a fervor for God and His Kingdom!

This is just a taste of what I will be sending you in the next couple of weeks.

Thank you for your prayers and support for this ministry that I'm involved in.

Knowing that I have you on my team encourages me to continue to *"run with endurance the race God has set before us."* Heb 12:1

Thank you for your financial and prayerful support which helps me to go and share the Good News of Jesus to parts of the world I never dreamed of going.

To ensure the ministry is healthy and thriving for those we serve - would you share with others about this ministry? Hosting a Zoom call with me? Or having them contact me to ask questions.

You are a blessing to me and to those around the world that will be reached because of your support.

Love, Richard & Laurie Godsil
