Great Commission Assam Class.....

Every Thursday I teach over 50 young adults in Assam, India on a variety of topics dealing with the Christian life, Bible

passages and counseling issues. Pastor Solomon has been leading this group several nights per week for a year! They have grown spiritually and in number. I look forward to speaking to these wonderful young adults as they listen and apply the teaching into their daily lives and ministries. Disciples making disciples who make disciples!

Thank you for helping us to build strong loving families and churches in 30 countries around the world!
Disciples making disciples who make disciples.

Project Afghanistan....

Great Commission Alliance and their partners raised in five days \$100,000 to help Afghan Christians escape and resettle in other countries!

These funds came from individuals, churches and even pastors from Uganda, Cameroon and India to help our brothers and sisters who were in danger.

I want to personally say "Thank you" to those who supported this project either in prayer or financially.

Stories/videos of danger, death and escape keep pouring in from our people on the ground and other ministries. It's a heartache and yet seeing Christians rising up together to help the Church in another country is inspirational. Keep praying for those left behind as it will be very hard and even deadly for them.

Financial Update

We're just \$3,500 per month from being fully funded!

Thank you for all your help to ensure the ministry is healthy and thriving for those we serve!

We are making a difference in individuals, churches and families around the world.

Will you share this with others who will support us so we can continue to make a difference for the Kingdom of God!

New Seeds of Grace Charity Ministry

Brother **Isingoma Johnson** is a ministry leader we work with in Uganda. He and his wife Eva work with orphans, outreach to villages and do a weekly evangelism radio show.

Recently they started a weekly soccer game between Muslims and Christians - then after the game they share about Jesus.

With some funding from GCA they helped drill a new well for a village of 500 to have fresh water to drink and cook with.

Pray with Us.....

We would appreciate your continued prayers:

- For God to continue to fund us so we can be serving Him full-time in this ministry
- GC Academy's weekly international teaching in 23 countries
- International travel this Fall to connect with church leaders, counseling and outreach in Uganda, Cameroon and India
