

Merry Christmas
Jesus Christ is born!

As we celebrate the birth of our Savior - God's gift to the world - let us share this gift of love with those around us! Jesus is the Good News for all people.

You are such a wonderful gift to us, and Laurie and I are so blessed by your friendship, prayers, and loving support this past year!

2023 was a time for meaningful ministry and overcoming health challenges.

One highlight of the year is our church's children's ministry under Laurie's leadership. She has been doing a great job of planning each Sunday's material and encouraging her volunteer staff.

In April, I had the opportunity to travel to Brazil and Colombia and share the gospel with hundreds of pastors and believers. I was inspired by their faith and enthusiasm, and learned so much from their testimonies, life stories and experiences.

Your financial and prayerful support allows the GCA team and me to continue to teach pastors and believers how to reach their communities and countries for Jesus!

With your continued or year end financial support, you will help me as I teach via Zoom to young adults in India and other countries. It's so vital to disciple new believers to grow in their faith.
