You are such a part of this ministry and we wouldn't be able to do this without your prayers and financial support. Thank you!

Here are some stories on what's been happening in our ministry lately:

India & Nepal Trip

GCA is traveling to India and Nepal in the month of March for three weeks!

While in India, we will be training, teaching and ministering with pastors, leaders and meeting with some of the widows we are helping.

I hope to meet some of the people that I have taught via Zoom, helped with support and preach a few times.

In Nepal, we will be attending a conference with Nepalese and other International leaders near Katmandu.

I would appreciate your prayers and any support towards this trip. Thank you

Walk With A Widow

Cynthia Mascarenhas, Founder of "Walk With A Widow" and Richard have collaborated with pastors in India and Uganda to help widows to become self-sufficient and to give back to their communities.

India:

- We are helping widows in southern India with sewing machines and embroidery machines to train them to make garments to sell in the market place.
- In northwest India, we have purchased goats for 40 widows to raise, sell, make goat soap and cashmere yarn.

Uganda:

We are providing a commercial oven to local widows so they can bake bread, cakes, and cookies for local markets, weddings, parties, etc.

Changing Lives.....

Uganda:

Our 4th well in six months was finished and is now providing water to a village of 500 in the Buyende district.

They celebrated for having clean water and

the local ministries held a two day conference with over 500 attending.!

210 people accepted Jesus Christ as Lord!

India:

Pastor Johny has been busy reaching out into villages and local churches preaching the Gospel.

In February, they held a conference where **32 people were baptized!**

You, the GCA team and their partners are making a difference in the Kingdom of God!

Financial Update

Thank you for all of your financial and prayerful support which helps to ensure the ministry is healthy and thriving for those we serve!

We are at **72%** in monthly/annual support! PTL God has blessed us with people like you who believe in our quest to serve Him.

Would you share with others about this ministry by hosting a Zoom call from me? Let me know if you are interested in hosting. Thank you!

Pray with Us

We would appreciate your continued prayers:

- Richard's trip with Great Commission Alliance to India, Nepal and a Middle East stop.
- For Laurie while he's gone for 3 weeks
- Helping to meet needs in villages
